EDUCATION

Bachelors in Computer Science and Engineering – Artificial Intelligence & Machine Learning 2022–2026
AMC Engineering College Bangalore, India
cgpa – 7.5

Pre- University Course (PUC)- PCMB 2020 – 2021
ST MARY'S PU College Bangalore, India
percentage- 75.83

Karnataka Secondary Education Examination Board (KSEEB) 2018 – 2019
Vasavi Vidyanikethana Y N Hosakote, India
percentage- 80.48

PROFILE

Motivated and dependable Computer Science and Engineering student specialization in Artificial Intelligence & Machine Learning. Proven ability to manage multiple projects with strong analytical, problem-solving, and time-management skills. Passionate about developing efficient, user-friendly software solutions that simplify real-world problems. Seeking an opportunity to grow as a Software Developer in a dynamic, innovation-driven environment.

PROJECTS

AI-based Blueprint Error Detection

Built an AI-driven blueprint analysis tool that automatically identifies design and annotation errors in construction blueprints using machine learning and computer vision. Enhanced accuracy and efficiency in the quality control process, minimizing rework and project delays.

AI-Based Smart Expense Tracker (ExpenseAI)

Designed and developed an AI- powered expense tracker that enhances financial decision- making through smart analytics, expense categorization, and personalized budgeting insights. Enabled users to track, visualize, and optimize their spending efficiently.

SKILLS

- **Programming:** Python, Java
- **Soft Skills:** Communication, Teamwork, Adaptability, Problem-solving, Time Management
- **Database:** SQL
- **Tools:** GitHub, VS Code, Jupyter Notebook

INTERNSHIP

Android App Development Intern- MindMatrix

Developed Android applications leveraging Generative AI to enhance user experience through intelligent features such as content generation and automation. Gained hands-on experience in mobile app development, API integration, and AI-driven functionalities.

HOBBIES & LANGUAGES

- Learning new technologies, Team Sports (Football), Problem Solving
- English, Kannada, Telugu
